

## **YERAM S. TOULOUKIAN AWARD**

### **Form of Award**

Certificate, bronze medal, and travel expenses to attend Symposium on Thermophysical Properties.

### **Achievement Recognized**

Outstanding technical contributions to the field of thermophysical properties. The award recipients must be individuals who are internationally recognized for major contributions in the thermophysical field.

### **Limitations**

There will be no more than two recipients at a given symposium.

### **Nominating Committee**

The Touloukian Award Committee consists of three members appointed by the Committee on Honors upon the recommendation of the K-7 Standing Committee on Thermophysical Properties of the Heat Transfer Division via the Heat Transfer Division Executive Committee. Each member serves a term of six years with terms of two members expiring every three years. No member may serve more than two consecutive terms. A chair and vice chair are elected by the K-7 committee.

### **Review Process**

A call is issued by the previous symposium chair for nominations to be submitted to the Touloukian Award Committee. Appropriate documentation should be in accordance with the Society's selection guidelines.

### **Nomination Deadline**

To the Touloukian Award Committee: by September 1 prior to the next symposium  
To the Committee on Honors: by October 1 prior to the next symposium.
